

PULSE-8™

MAKE THE MOST OF EVERY HEARTBEAT

Pulse-8™ is an advanced and proprietary formula that features L-arginine, specially formulated in specific ratios to provide optimal results. L-arginine, as supported by Nobel prize-winning research, is known to support a healthy cardiovascular system.

Each serving of Pulse-8 contains 5 grams of L-arginine, for maintaining a healthy cardiovascular system. This delicious powdered drink mix also features marine phytoplankton and several additional heartfelt ingredients.

BENEFITS OF PULSE-8 WITH L-ARGININE

- Supports overall cardiovascular health
- Optimizes blood flow
- Enhances immune system function
- Helps to maintain blood pressure levels already within a normal range
- Supports healthy male sexual performance
- Improves energy
- Helps to maintain blood sugar levels already within a normal range
- Improves mood and overall sense of wellbeing

A HEALTHY HEART IS A HAPPY HEART

Taking additional measures toward maintaining cardiovascular health is becoming increasingly critical in the pursuit of living a long, happy life.

Adding Pulse-8 to your daily health regimen is the perfect first step toward creating a healthier heart. Pulse-8 features L-arginine, which is known to support optimal cardiovascular health.

BETTER NUTRITION

Unlike any other L-arginine supplement available, Pulse-8 features the optimal blend of high-quality and proprietary heart-healthy ingredients and whole-food nutrition.

MAKING EVERY BEAT COUNT

L-arginine is an amino acid that plays a vital role in multiple physiological functions in the body, but is best known for its cardiovascular benefits.

In the body, L-arginine converts to nitric oxide. Nitric oxide is a powerful neurotransmitter that aids in the relaxation of blood vessels and helps improve circulation and regulate vessel tone and flexibility. These effects support increased blood flow, which in turn increases endurance, reduces stress on the heart, improves circulation, and helps to maintain blood pressure levels already within a normal range.

Supplement Information

Serving Size: 1 Scoop (14 g)
Servings per Container: 30

	Amount per Daily Serving (14 g)	% NRV*
Vitamin D	25 mcg	500%
Nicotinamide	12 mg	75%
Vitamin B6	2 mg	143%
Folic Acid	40 mcg	20%
Vitamin B12	3 mcg	120%
L-Arginine	5,000 mg	†
L-Citrulline	100 mg	†
D-Ribose	10 mg	†
Coenzyme Q10	30 mg	†

* based on a 8400 kJ/2000 kcal diet.

† Value not established

Ingredients: L-arginine, citric acid, fructose, lemon fruit powder, malic acid, steviol glycosides, L-citrulline, natural lemon flavour, acerola fruit powder, coenzyme Q10, cholecalciferol, niacinamide, D-ribose, red wine (*Vitis vinifera*) extract, inulin, calcium salts of orthophosphoric acid, lime flavour, pomegranate (*Punica granatum*) powder, vanilla flavour, pyridoxine HCL, methylcobalamin, folic acid.

L-ARGININE BENEFITS

L-arginine supports a wide range of cardiovascular system functions, and is believed to:

- Help in maintaining blood pressure levels already within a normal range
- Support increased male sexual performance
- Help open pulmonary pathways
- Positively affect lean muscle mass and bone density
- Improve oxygen flow throughout the body
- Help the body properly remove waste
