

Fall Promo

Part 1: Reactivate and get Rewarded!

| Reactivate | Reboot | Reward |
|--|--|---|
| Reactivate with 100 QV/CV and all flushed volume from your Power Leg will be restored. | Remain fully qualified for 3 months. | Receive 15,000 points in your Power Leg. |
| Restored volume will be reflected on reactivated member's Power Leg carry over volume only and will not be added to the upline's legs. Contact member support after purchase to have volume restored | Order product with 100QV/CV each month and get excited about coming back home. | Points will be broken into 3 installments of 5000 QV once per calendar month and added the period following qualification. The leg receiving points will be determined by ForeverGreen. |

To be eligible for Part 1 of the fall promo, members must be considered inactive before 10/23/18. Inactive is defined as a member who did not qualify on the last 5 or more weekly periods and have already been flushed.

Part 2: Power Up with Enrollments!

Enroll new members with 100 QV each or make a personal order of 500 QV* and receive points in your Power Leg.

| Total # of qualifying enrollments during the promo | Earned points in Power Leg |
|--|----------------------------|
| 5 enrollments or a 500 QV personal order | 30,000 QV/CV |
| 10 enrollments | Up to 80,000 QV/CV |
| 15 enrollments | Up to 200,000 QV/CV |
| 20 enrollments | Up to 350,000 QV/CV |
| 30 enrollments | Up to 1M QV/CV |

New PEMs must complete their 100 QV purchase during the same weekly period as their enrollment to be counted. Because enrollments can only be counted once towards overall total, earned points may be applied in segments, one period after the qualifications have been met. I.e. If you get 5 enrollments within one period, you'll receive 30,000 QV. If you get 5 more enrollments within the next period, you will receive only 50,000 points for a total of 80,000 for all 10 enrollments.

*No volume transfers allowed. Must be a new order or combination of new orders totaling 500 QV within one commission period.
